United States District Court
Eastern District of New York
Honorable Nicholas G. Garaufis
225 Cadman PLZ East
Brooklyn New York 11201

Docket # 10-CV-4589
RE: Recusal
RE submitted

It stands now at this time, after submitting
some proof of the attempt on my life, by the (BOP)
Bureau of prisons and NYU Langone in Brooklyn NY
(Lutheran Hosp.), to this court, and while on your
watch, I must ask this court to recuse itself.
Although I am sure that this court had nothing to do
with it, the mere appearance of impropriety and a
conflict of interest that presents itself, recusal is
the only remedy at this time.

Again I must ask this court to recuse itself.

Sincerely Yours
Stephen LoCurto
